HOW TO READ AND UNDERSTAND YOUR POLICY

Your booklet has been written in plain language to make it easier for you to understand the insurance protection you have purchased.

This policy contains various exclusions and limitations which eliminate or restrict coverage. Please read it carefully.

Your policy consists of:

- **THE DECLARATIONS** which contain information that is unique to your insurance policy and which indicates the coverages you have purchased.
- **THE POLICY** that is contained in this booklet.
- **OPTIONAL FORMS** and **ENDORSEMENTS** that are included in this booklet or attached to your Declarations.
- **THE STATUTORY CONDITIONS** which apply to all forms and are required by Provincial Law.

All of these items represent the legal contract of indemnity between you and us.

This policy consists of two sections:

SECTION I – PROPERTY COVERAGE of this booklet describes the insurance on your property. It also includes Loss Of Use and/or Fair Rental Value coverage as shown in the booklet.

SECTION II – LIABILITY COVERAGE of this booklet describes the insurance for your legal liability for bodily injury to others or damage to property of others arising out of your premises or your personal actions. It also includes benefits following injury or damage to property of others in certain other circumstances.

SECTION III – FARM COVERAGE of this booklet describes the insurance on your farm buildings, machinery, produce, livestock, and farm income. You will have purchased either FIRE and LIGHTNING or FIRE and EXTENDED COVERAGE. These coverages may vary by item. You may also have purchased SPECIAL COVERAGE on your buildings, contents, mobile farm machinery, or equipment, tools and parts.

In order to determine what coverage(s) you have, simply read your Declarations and then find the corresponding coverage(s) either in this booklet or in any attached form.

SECTION I **CONDITIONS**

BASIS OF SETTLEMENT

"We" will pay for insured loss or damage to "your" "dwelling", private structures and personal property as described in this policy up to "your" financial interest in the property, but not exceeding the applicable Amount(s) of Insurance for any loss or damage arising out of one "occurrence".

This applies even if more than one person or organization has an insurable interest in the property insured.

APPLICABLE TO COVERAGE A, COVERAGE B, COVERAGE C, COVERAGE D

1. INFLATION PROTECTION COVERAGE

During the term of this policy, "we" will automatically increase the Amount of Insurance on COVERAGE A, B, C and COVERAGE D by a pro rata proportion of the annual percentage shown on the Declarations. The pro rata proportion will be based on the number of days the policy term has been in effect.

If at "your" request, "we" change the Amount of Insurance on COVERAGE A or COVERAGE C, "we" will apply this Inflation Protection Coverage on the changed Amounts of Insurance from the date the change is made.

2. ACTUAL CASH VALUE

Actual cash value will take into account such things as the cost of replacement less any depreciation, and in determining depreciation, "we" will consider the condition immediately before the damage, the resale value and the normal life expectancy.

For "dwelling" and/or private structures, if the conditions of this policy are not met, "we" will pay the actual cash value of the damage at the date of the "occurrence".

3. DEDUCTIBLE

"We" are responsible only for the amount by which the loss or damage caused by any of the insured perils exceeds the amount of the Deductible shown on the Declarations in any one "occurrence".

4. SINGLE INCLUSIVE LIMIT

If the Declarations indicate SINGLE INCLUSIVE LIMIT applies to a location, "we" will pay for insured loss or damage up to "your" financial interest in the property, but not exceeding the single limit, as defined, for any loss or damage arising out of one "occurrence".

SINGLE INCLUSIVE LIMIT means the total of the Amounts of Insurance shown on the Declarations for COVERAGES A, B, C and D.

If the loss to "your" "dwelling" is settled on a GUARANTEED REPLACEMENT COST basis, the Amount of Insurance for COVERAGE A or the amount payable under COVERAGE A (whichever is less) will be subtracted from the single limit. Losses under COVERAGE B, C and D will be paid up to the remaining portion of the SINGLE INCLUSIVE LIMIT.

All other terms and conditions of the policy apply.

5. FIRE FOLLOWING EARTHQUAKE

"We" insure COVERAGE A, B, C and D and if applicable, CONDOMINIUM ADDITIONAL COVERAGE, CONDOMINIUM LOSS ASSESSMENT and CONDOMINIUM UNIT IMPROVEMENTS against direct physical loss or damage as a result of a fire from an earthquake.

SPECIAL CONDITION

One or more earthquake shocks that occur within a one hundred and sixty eight (168) hour period shall constitute a single earthquake.

For the purposes of this endorsement, the following is deleted from ADDITIONAL COVERAGES (5) DEBRIS REMOVAL, "If the amount payable for loss, including expenses for removal of debris, is greater than the Amount of Insurance applicable to the lost or damaged property, then an additional 5% of the COVERAGE A or COVERAGE C limit as indicated on the Declarations will be available to cover "your" debris removal expenses."

DEDUCTIBLE

"We" will pay only that part of the loss that exceeds the Deductible shown on the Declarations for this coverage. This Deductible shall apply separately to loss under COVERAGE A, B and C and, if applicable, CONDOMINIUM ADDITIONAL COVERAGE, CONDOMINIUM LOSS ASSESSMENT and CONDOMINIUM UNIT IMPROVEMENTS.

In determining the cost of repairs or replacement "we" will not pay or include the increased costs of repair or replacement due to the operation of any law or ordinance regulating the zoning, demolition, repair or construction of buildings and their related services.

APPLICABLE TO COVERAGE A and/or COVERAGE B

6. BUILDING

If "you" repair or replace the damaged or destroyed building(s) on the same location, with building(s) of the same size and occupancy, constructed with materials of similar quality, within a reasonable time after the damage, "you" may choose as the basis for loss settlement either (1) or (2) below. However in the event that "you" are restricted by law or ordinance from rebuilding on the same location as a result of an earthquake "occurrence", "you" may still choose either (1) or (2) as the basis for loss settlement. Otherwise settlement will be as in (2).

- (1) The cost of repairs or replacement (whichever is less) without deduction for depreciation, in which case "we" will pay in the proportion that the applicable Amount of Insurance bears to 80% of the cost to replace the damaged or destroyed building(s) on the same location, with building(s) of the same size and occupancy and constructed with materials of similar quality as of the time of loss, but not to exceed the actual costs incurred.
- (2) The actual cash value of the loss or damaged property as of the time of loss.

In determining the cost of repairs or replacement "we" will not pay or include the increased costs of repair or replacement due to the operation of any law or ordinance regulating the zoning, demolition, repair or construction of buildings and their related services.

7. GUARANTEED REPLACEMENT COST – COVERAGE A

If the Declarations indicate GUARANTEED REPLACEMENT COST – COVERAGE A, "we" will pay for the insured loss to "your" "dwelling" on the basis of full replacement cost regardless of the Amount of Insurance shown on the Declarations provided "you":

- (1) insure "your" "dwelling" for 100% of its replacement value as of the original inception date of this policy as well as of the effective dates of all subsequent renewal policy terms. For the purposes of this coverage, "we" will consider a "dwelling" insured to 100% of its replacement value if "you" provide "us" with a replacement cost calculation acceptable to "us" every five years, beginning with the original inception date of the policy, and also allow the "dwelling" Amount of Insurance to be increased annually, on renewal, by an inflationary percentage established by "us";
- (2) repair, rebuild or replace the "dwelling" on the same location, with a building of the same size and occupancy, constructed with material of similar quality; and
- (3) notify "us" within 90 days of the start of work if "you" make additions or improvements to "your" "dwelling" that will increase its "replacement cost" by \$10,000 or more.

Otherwise the basis of claim payment in the policy will apply as if this coverage had not been in effect.

APPLICABLE TO COVERAGE C

8. PERSONAL PROPERTY

"We" will pay on the basis of Replacement Cost for all other personal property except:

- (1) articles that cannot be replaced with new articles because of their inherent nature, such as antiques or works of art;
- (2) articles for which their age or history substantially contributes to their value, such as memorabilia, souvenirs and collectors' items;
- (3) property that has not been maintained in good or workable condition;
- (4) property that is no longer used for its original purpose;

for which "we" will pay only on the basis of actual cash value.

"We" will also pay the cost of reproduction from duplicates or from originals.

Replacement Cost means the cost, on the date of the loss or damage, of the lower of:

- (1) repairing the property with materials of similar kind and quality; or

- (2) new articles of similar kind, quality and usefulness;

Without deduction for depreciation.

"We" will pay on the basis of replacement cost only if the property lost or damaged is repaired or replaced as soon as reasonably possible. Otherwise "we" will pay on the basis of actual cash value.

"You" may choose to settle a loss to property eligible for replacement cost on contents coverage on an actual cash value basis initially. "You" may still make an additional claim for the difference between the actual cash value and replacement cost basis provided such claim is made within 180 days after the date of loss or damage.

For personal property described under SPECIAL LIMITS OF INSURANCE, "we" will not pay more than the applicable limit under either the replacement cost or actual cash value basis.

9. PAIRS AND SETS

In the case of loss or damage to any article(s) which is part of a pair or set, the amount of loss or damage to such article(s) will be a reasonable and fair proportion of the total value of the set, but in no event will such loss or damage be construed to mean total loss of the pair or set.

10. PARTS

In the case of loss or damage to any part of the insured property consisting, when complete for use, of several parts, "we" will not pay for more than the insured value of the part lost or damaged, including the cost of installation.

APPLICABLE TO CONDOMINIUM UNIT OWNERS AND TENANTS COVERAGE ONLY

11. IMPROVEMENTS OR UNIT DAMAGE

"We" will pay for the actual cost of repair or replacement (whichever is less) to "your" improvements, with materials of similar quality and without deduction for depreciation provided the repair or replacement is completed within a reasonable amount of time after damage.

If loss or damage is not replaced or repaired within a reasonable time, "we" will pay the actual cash value of the loss or damage at the time of loss. "We" will pay for insured loss or damage to "your" unit on the basis of loss settlement described above, less any amount recoverable from any insurance covering the collective interest of the unit owners.

POLICY CONDITIONS

The following conditions apply to all **SECTION I – COVERAGES**:

1. AMOUNTS NOT REDUCED

Any loss or damage shall not reduce the Amounts of Insurance provided by this policy.

2. INSURANCE UNDER MORE THAN ONE POLICY

If "you" have other insurance which applies to a loss or claim, this policy will be considered excess insurance and "we" will not pay any loss or claim until the amount of such other insurance is used up.

In all other cases, "we" will pay "our" rateable proportion of the loss or claim under this policy.

3. NOTICE TO AUTHORITIES

Where loss or damage is, or is suspected to be, due to malicious acts, theft or attempted theft, "you" must give immediate notice of the incident to the police or law enforcement agency having jurisdiction or any other enforcement agency having jurisdiction.

4. SUBROGATION

"We" will be entitled to assume all "your" rights of recovery against others and bring action in "your" name to enforce these rights when "we" make payment or assume liability under this policy.

"Your" right to recover from "us" is not affected by any release from liability entered into by "you" prior to loss.

5. DECLARATION OF EMERGENCY – EXTENSION OF TERMINATION OR EXPIRY DATE

The effective date of termination of this policy by the Insurer or the expiry date of this policy is extended, subject to the conditions and definitions set out below, as follows when an "emergency" is declared by a Canadian public authority designated by statute for the purpose of issuing such an order.

- (1) The "emergency" must have a direct effect or impact on:

 - (b) the operations" of the Insurer or its agent/broker located in the declared emergency area.
- (2) (a) Any time limitation described in the Termination condition of this policy, with respect to termination of this policy by the Insurer, will not continue to run until the "emergency" is terminated plus the lesser of:
 - (i) 30 days; or

- (b) If this policy is due to expire during an "emergency", it will continue in force until the "emergency" is terminated plus the lesser of:
 - (i) 30 days; or
 - (ii) the number of days equal to the total time the "emergency" order was in effect.
- (3) In no event shall the total term of this extension exceed 120 consecutive days.

The "Insured" agrees to pay the pro rata premium earned for the additional time the Insurer remains on risk as a result of the above.

"**Emergency**" means the first statutory declaration of an "emergency";

- (1) with respect to a situation or an impending situation that constitutes a danger of major proportions that could result in serious harm to persons or substantial damage to property and that is caused by the forces of nature, a disease or other health risk, an accident or an act whether intentional or otherwise; or
- (2) as provided for by the relevant governing legislation if different from (1) above, but does not include any subsequent statutory declaration(s) that may be issued relating to the same event.

6. RECOVERY OF INNOCENT PERSONS

- (1) Where this policy contains a term or condition excluding coverage for loss or damage resulting from the intentional or criminal acts or failure to act by an "Insured" or any other person, the exclusion applies only to the claim of a person:
 - (a) whose act or omission caused the loss or damage;

- (b) who abetted or colluded in the act or omission;
 - (c) who:
 - (i) consented to the act or omission; and
 - (ii) knew or ought to have known that the act or omission would cause the loss or damage; or
 - (d) who is in a class prescribed by regulation.
- (2) Nothing in SECTION I allows a person whose property is insured under the contract to recover more than their proportionate interest in the lost or damaged property.
- (3) A person whose coverage under a contract would be excluded but for SECTION I must comply with the requirements prescribed in the regulations.

All other terms and conditions of the policy remain unchanged.

- (1) "your" personal actions anywhere in the world;

"We" will not pay the full amount of any loss if the Amount of Insurance for FARM INCOME AND EXTRA EXPENSE (PROFITS) – FORM 2025 is less than 100% of the sum of:

- a. the net income (net profit or loss before income taxes); and
- b. all operating expenses, including payroll expenses;

that would have been earned (had no loss occurred) by "your" "operations" at the described "premises" for the 12 months following the inception, or last previous anniversary date, of this policy (whichever is later).

"We" will determine the most "we" will pay using the following steps:

- a. determine the sum of the net income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy;
- b. divide the Amount of Insurance for the described "premises" by the figure determined in a. above; and then
- c. multiply the total amount of loss by the figure determined in b. above.

"We" will pay the lesser of amount determined in c. above, or the Amount of Insurance, whichever is less.

ALTERATIONS AND NEW BUILDINGS

"We" will pay for the actual loss of "farm income" "you" sustain due to direct physical loss or damage at the described "premises" caused by or resulting from any insured peril to:

- a. new buildings or structures, whether complete or under construction;
- b. alterations or additions to existing buildings or structures; and
- c. machinery, equipment, supplies or building materials located on or within 100 metres (328 feet) of the described "premises" and:
 - (i) used in the construction, alterations or additions; or
 - (ii) incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of "operations", the "Period of Restoration" will begin on the date "operations" would have begun if the direct physical loss or damage had not occurred.

Loss of "farm income" must be caused by direct physical loss or damage at the described "premises" caused by or resulting from any insured peril.

ACTION OF CIVIL AUTHORITY

"We" will pay for the actual loss of "farm income" "you" sustain and necessary Extra Expense caused by action of "civil authority" that prohibits access to the described "premises" due to direct physical loss or damage to property, not otherwise described, as a result of an insured peril. This coverage will apply for a period of up to two consecutive weeks from the date of that action.

AUDITORS' FEES

"We" will pay up to \$1,000 in any one "occurrence", towards reasonable auditors' fees "you" incur, to produce and certify the particulars or details of "your" "farming" that are required by "us", in order to arrive at the amount of loss payable.

ELECTRONIC MEDIA AND RECORDS

"We" will not pay for any loss of "farm income" caused by direct physical loss or damage to "data", "media", or "software" after the longer of:

- a. 60 consecutive days from the date of direct physical loss or damage; or
- b. the period of time beginning with the date of direct physical loss or damage, necessary to repair, rebuild or replace, with reasonable speed and similar quality, other property at the described "premises" due to loss or damage caused by the same "occurrence".

This limitation does not apply to Extra Expense.

LOSS OR DAMAGE NOT INSURED

"We" do not pay for:

- a. any loss due to fines or damages for breach of contract, for late or non-completion of orders or for penalties of any kind;
- b. any increase of loss caused by or resulting from:
 - (i) delay in rebuilding, repairing or replacing the property or resuming "operations", due to interference at the location of the rebuilding, repair or replacement by strikers or other persons; or
 - (ii) suspension, lapse or cancellation of any license, lease or contract. But if the suspension, lapse or cancellation is directly caused by the suspension of "operations", "we" will cover such loss that affects "your" "farm income" during the "Period of Restoration";
- c. any Extra Expense caused by or resulting from suspension, lapse or cancellation of any license, lease or contract beyond the "Period of Restoration".

BASIS OF SETTLEMENT

Where the Declarations indicate COVERAGE I – FARM INCOME AND EXTRA EXPENSE, the most "we" will pay for loss of "farm income" and Extra Expense in each period of 30 consecutive days after the direct physical loss or damage is 25% of the COVERAGE I Amount of Insurance shown on the Declarations.

Payments under ADDITIONAL COVERAGES will not increase the applicable Amount of Insurance.

LOSS DETERMINATION – LOSS OF FARM INCOME

- a. The amount of "farm income" loss will be determined based on:
 - (i) the net income of the farm before the direct physical loss or damage occurred;
 - (ii) the likely net income of the farm as if no loss or damage occurred;
 - (iii) the operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and
 - (iv) other relevant sources of information, including:
 - (a) "your" financial records and accounting procedures;
 - (b) bills, invoices and other vouchers; and
 - (c) deeds, liens or contracts.
- b. The amount of Extra Expense will be determined based on:
 - (i) all expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "Period of Restoration" if no direct physical loss or damage had occurred. "We" will deduct from the total of such expenses:
 - a. the salvage value that remains of any property bought for temporary use during the "Period of Restoration", once "operations" are resumed; and
 - b. any Extra Expense that is paid for by other insurance, except for insurance that is written, subject to the same plan, terms, conditions and provisions as this insurance; and
 - (ii) all necessary expenses that reduce the "farm income" loss that otherwise would have been incurred.
- c. Resumption of "Operations"
"We" will reduce the amount of "your":
 - (i) "farm income" loss, other than Extra Expense, to the extent "you" can resume "your" "operations", in whole or in part, by using damaged or undamaged property at the described "premises" or elsewhere;
 - (ii) Extra Expense loss to the extent "you" can return "operations" to normal and discontinue such Extra Expense.
- d. If "you" do not resume "operations", or do not resume "operations" as quickly as possible, "we" will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

REPLACEMENT COST COVERAGE ON MOBILE FARM MACHINERY AND MOBILE FARM EQUIPMENT – FORM 2020

If the Declarations indicate REPLACEMENT COST ON FARM MACHINERY – FORM 2020 applies to a specified piece of mobile farm machinery or mobile farm equipment, "you" are insured for the following:

1. "We" will pay for loss to that machinery or equipment on a replacement cost basis, provided:
 - a. "you" are the original purchaser of the property, exclusive of the selling dealer; and
 - b. the loss or damage occurs within sixty (60) months of the date on which the property was first delivered to "you".
2. This coverage does not apply to:
 - a. machinery or equipment rented or leased to "you" or by "you";
 - b. tracks, tires or batteries;
 - c. betterments resulting from the repair or replacement of property having prior unrepaired damage;
 - d. any increase in the cost of replacement resulting from the enforcement of any restriction or prohibition in any regulation, ordinance or law.

3. "You" may make a claim for loss or damage covered by this insurance on the actual cash value basis instead of a replacement cost basis. In the event "you" elect to have "your" loss settled on an actual cash value basis, "you" may still make a claim for the additional coverage this endorsement provides if "you" notify "us" of "your" intention to do so within 180 days after the loss or damage.
4. "We" will not pay on a replacement cost basis for any loss or damage:
 - a. until the lost or damaged property is actually repaired or replaced; and
 - b. unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.
5. "We" will not pay more for loss or damage on a replacement cost basis than the least of:
 - a. the Amount of Insurance applicable to the lost or damaged item;
 - b. the cost to replace the lost or damaged item with new property:
 - (i) of comparable material and quality;
 - (ii) used for the same purpose;
 - c. the amount "you" actually spend that is necessary to repair or replace the lost or damaged property.

COINSURANCE

"We" will not pay for a greater proportion of any loss than the applicable Amount of Insurance for the lost or damaged item bears to 100% of the original replacement cost of the item.

However, if the amount of loss or damage is less than 2% of the applicable Amount of Insurance or \$5,000, whichever is less, this COINSURANCE condition does not apply.

SECTION III

LOSS OR DAMAGE NOT INSURED

"We" do not insure

- (1) loss or damage caused:
 - (i) due to grass, stubble or bush fires occurring while a building is "vacant", even if permission for "vacancy" has been given by "us". Barns, buildings or structures which are in a seasonal state of "vacancy" due to normal practices of "farming" "operations" are not considered "vacant";
 - (ii) to electrical devices, appliances, fixtures or wiring or resulting extra expense caused by electrical currents, other than lightning. Direct loss or damage by FIRE is insured;
- (2) loss or damage caused directly or indirectly by:
 - (i) explosion, collapse, rupture, bursting, cracking, burning out or bulging of any of the following property, if owned or leased by "you", or operated under "your" control:
 - (a) any boiler and connected piping or other equipment containing steam or water under steam pressure;
 - (b) any other equipment under pressure if its maximum normal internal working pressure exceeds 103 kilopascals (15 pounds per square inch) above atmospheric pressure;

Direct loss or damage by fire, the explosion of manually portable gas cylinders or domestic hot water boilers having an internal diameter not exceeding 610 millimeters (24 inches) or the explosion of gas or unconsumed fuel within a furnace or within exhaust passages leading to the atmosphere is insured.
- (3) caused by smoke from agricultural smudging or industrial operations;
- (4) loss or damage caused:
 - (i) to the interior of a building or the personal property inside a building, caused by rain, hail, snow, sleet, sand or dust, unless an opening in the roof or wall is made by wind or hail and the rain, hail, snow, sleet, sand or dust enters concurrently through this opening;
 - (ii) to fences anywhere on the "premises", windmills, or silos by the peril of windstorm or hail.
- (5) occurring while the building insured is, to "your" knowledge, "vacant" for more than 30 consecutive days. Outbuildings, which are in a seasonal state of "vacancy" due to normal practices of "farming" "operations", are not considered "vacant";
- (6) loss or damage resulting directly or indirectly from:
 - (i) any nuclear incident as defined in the Nuclear Liability Act or any other nuclear liability act, law or statute, or any law amendatory thereof, or nuclear explosion, except for ensuing loss or damage which results directly from fire, lightning, or explosion of natural, coal or manufactured gas;
 - (ii) contamination by radioactive material;
 - (iii) war, invasion, act of foreign enemy, hostilities, civil war, rebellion, revolution, insurrection, or military power.
- (7) losses or increased costs of repair or reconstruction due to the operation of any law regulating the zoning, demolition, repair or construction of buildings or structures and their related services;
- (8) loss due to delay or loss of market;
- (9) loss due to unexplained or mysterious disappearance of property, or shortage of property disclosed on taking inventory;

- (10) loss or damage caused by or resulting from the intentional or criminal acts or the failure to act by:
- (i) any "Insured" under this policy, including but not limited to "your" partners, directors, trustees, employees or agents; or

 - (iii) any person with whom the property is entrusted.
- Except, property insured under COVERAGE – H(1) MACHINERY, EQUIPMENT, TOOLS, PARTS, while in the custody of a bailee hired by "you" is insured;
- (11) loss or damage resulting from a change in ownership or possession of property that is agreed to, even if that change was brought about by trickery or fraud;
- (12) any property illegally acquired, kept, stored or transported or property subject to forfeiture;
- (13) any property lawfully seized or confiscated unless such property is destroyed to prevent the spread of fire;
- (14) loss or damage to farm personal property while undergoing a process involving the application of heat, but resulting damage to other property is insured;
- (15) loss or damage arising directly or indirectly from the growing, cultivating, harvesting, processing, manufacturing, distribution or sale of any drug or narcotic or illegal substance, whether or not "you" have knowledge of such activity. This includes any alterations of the "premises" to facilitate such activity;
- (16) any loss or damage caused directly or indirectly, in whole or in part, by "Terrorism" or by any activity or decision of a government agency or other entity to prevent, respond to or terminate "Terrorism" regardless of any other cause or event that contributes concurrently or in any sequence to the loss or damage but "you" are still insured for ensuing loss or damage which results directly from FIRE or EXPLOSION;
- (17) "data" or "data problem" except:
- (i) electronically stored "data" insured under COMPUTER COVERAGE – FORM 962 in **SECTION I – OPTIONAL COVERAGES**; or
 - (ii) if loss or damage caused by a "data problem" results in the "occurrence" of further loss of or damage to property insured that is directly caused by "Specified Perils".

SECTION III **CONDITIONS**

BASIS OF CLAIM PAYMENT

"We" will pay for insured loss or damage up to "your" financial interest in the property, but not exceeding the applicable Amount(s) of Insurance for any loss or damage arising out of one "occurrence".

This applies even if more than one person or organization has an insurable interest in the property insured.

1. REINSTATEMENT

Any loss or damage shall not reduce the Amounts of Insurance provided by this policy.

2. DEDUCTIBLE

"We" are responsible only for the amount by which the loss or damage caused by any of the insured perils exceeds the amount of the deductible shown on the Declarations in any one "occurrence".

Loss or damage to mobile farm machinery or mobile farm equipment caused by the ingestion of a foreign object is subject to the Ingestion Deductible shown on the Declarations. The deductible is expressed as a percentage of the amount of adjusted loss. The Ingestion Deductible amount will not be less than the percentage shown on the Declarations or \$1,000, whichever is the greater.

3. FARM BARN, BUILDINGS AND STRUCTURES

"We" will pay the actual cash value of the loss or damage at the time of loss, unless otherwise indicated on the Declarations.

4. REBUILDING CLAUSE – FARM BARN, BUILDINGS AND STRUCTURES

If the Declarations indicate that REBUILDING CLAUSE is included, the Basis of Claim Payment will be as follows:

- a. the most "we" will pay is 50% of the amount of any loss which "we" would have paid in the absence of this REBUILDING CLAUSE;
- b. if "you" repair or replace the damaged or destroyed farm barns, buildings or structures for the same size occupancy and use within 9 months of the date of loss, on or within 65 m. (200 ft.) of the site where the building stood immediately prior to the loss, "we", upon receipt of satisfactory evidence to that effect from "you", shall pay the remaining 50% of such loss;
- c. if "you" do not repair or replace the damaged or destroyed farm barns, buildings or structures in accordance with the provisions of paragraph b. above, "you" agree that the reduced payment received by "you" under the provisions of paragraph a. above shall constitute the full and final settlement under this policy with respect to such loss.

5. REPLACEMENT COST – FARM BARN, BUILDINGS AND STRUCTURES

If the Declarations indicate that REPLACEMENT COST applies, "we" will pay for insured loss to the damaged or destroyed farm barn, building or structure on a replacement cost basis, but payment shall not exceed the least of:

- a. the cost to repair or replace the damaged or destroyed farm barn, building or structure within a reasonable time and for the same quality, size and occupancy on the same location;
- b. the amount actually and necessarily spent to repair or replace the farm barn, building or structure; or
- c. the applicable Amount of Insurance.

"We" will not pay for a greater proportion of loss than the applicable Amount of Insurance bears to 90% of the replacement cost of all insured property at the time of loss. If two or more items are specifically described on the Declarations, this condition will apply separately to each item.

If the amount of loss or damage is less than 2% of the applicable Amount of Insurance or \$5,000, whichever is the lesser, this condition does not apply.

If "you" do not repair, rebuild or replace the barn, building or structure on the same location, with a building of the same size, and occupancy, constructed with material of similar quality, the Basis of Settlement will be as if this coverage had not been in effect.

6. FARM PERSONAL PROPERTY AND CONTENTS OF BARN, BUILDINGS AND STRUCTURES

"We" will pay the actual cash value of the loss or damage at the time of loss up to the applicable Amount of Insurance.

7. INSURANCE UNDER MORE THAN ONE POLICY

If "you" have insurance on specifically described property, "our" policy will be considered excess insurance and "we" will not pay any loss or claim until the amount of such other insurance is used up. In all other cases, "our" policy will pay its ratable proportion of the loss or claim.

8. NOTICE TO AUTHORITIES

Where loss or damage is, or is suspected to be due to malicious acts, burglary, robbery, theft or attempted theft, "you" must give immediate notice of the incident to the police or other enforcement agency having jurisdiction.

9. LOSS TO A PAIR OR SET

In case of loss to a pair or set, "we" may elect to:

- a. repair or replace any part to restore the pair or set to its value before the loss; or
- b. pay the difference between actual cash value of the property before and after the loss.

10. LOSS TO PARTS

In case of a loss to any part of the insured property, consisting of several parts when complete, "we" shall pay for the value of the part lost or damaged.

11. PERMISSION

"You" are permitted to make alterations, additions or repairs.

IN WITNESS WHEREOF, "we" have caused this policy to be signed by "our" President and CEO.
